

Top 100 Classic Scooter Sites

sponsored by iscoolmy.com

Add your *CLASSIC Scooter* site!

The top 20 get their banner shown.

If you add your site and don't put up a link or banner on it with the proper ID code I will be forced to ban your site.

Sorry but this page won't work if the sites aren't bringing in hits. Carefully follow the instructions when you go to submit and there will be no problem. You can use your own banner, the one above or plain text, I don't care. I check every submission so don't waste your time adding a site that doesn't have to do w/ CLASSIC Scooters. Thanks, stian

Danke fürs VOTEN !
